

MEMBERSHIP

Holly Green

Hello!

If you are new to INRA, *Welcome!* We are glad you have joined us and hope that you are learning about rosemaking. As a new member we hope you will join us in all the activities we offer such as the upcoming show, our general meetings and of course our classes. If you have questions or we can help you in some way, please check out our list of officers and email addresses in the Avisen. Feel free to contact the person who can help. To all of our members, please remember that September of each year is the time when we renew INRA memberships. INRA dues help pay for the Avisen newsletter, teachers, class and show venues, and all the other bits and pieces that help keep our organization running. Thank you!

***Please make checks payable to INRA.**
